Dear Members;

On behalf of the Board of Directors of your Sauble Beach Chamber of Commerce we would like to thank you for giving us the opportunity to welcome you and to introduce you to the many benefits of becoming a Chamber Member.

The Directors along with Chamber staff have set in motion a new Chamber vision for the next several years. Our plan encompasses seven committees and specific points of development for businesses in the area. Some areas to be addressed include:

- Providing information on how to start, grow and expand a business.
- Promoting the use of technology for business improvement.
- Establishing partnerships in areas that help our Members with their business needs.
- Identifying key business issues at the town, provincial and federal levels and to be the advocate for business concerns.
- Growing Membership to develop new business and community leaders.
- Ensuring the sustainability of the vision and values of our Chamber.

Chamber Committees have been established as follows:

Membership Committee  
Sauble Signpost Committee  
Festival & Events Committee  
Tourist Info Centre Committee

Winterfest Committee  
AGMs Committee  
Downtown Revitalization Committee

One of the most rewarding elements of Chamber Membership is the opportunity to work closely with other Members. We highly encourage you to contact the Chamber office to get involved with one of the above Committees as we actively seek Members' input and assistance.

We would also like to thank all the dedicated Directors and Members for sharing their time and effort to help operate and develop the Chamber for our community's benefit. The more everyone is involved, the more we can support businesses in Sauble Beach.

Enclosed you will find some of the benefits associated with your membership. Please take advantage of all the benefits the Chamber has to offer!

If you should have any questions or comments, we most welcome them and can be reached at [admin@saublebeach.com](mailto:admin@saublebeach.com)

Sincerely,

Sauble Beach Chamber of Commerce Board  
of Directors 2016
